BEAUTY. SCIENCE. WELLNESS.

## Integrative Beauty & Wellness

Modrn Sanctuary, a luxury wellness space frequented by celebrities like Olivia Wilde, Suzane Somers, and Dorinda Medley has joined forces with one of Manhattan's most renowned plastic surgeons, Dr. Kenneth Rothaus. Modrn's founder—Alexandra Janelli—and Dr. Rothaus saw an opportunity to elevate the beauty experience by integrating the top medical-grade beauty services on the market with the most unique wellness services in Manhattan. This 5,000 square foot facility boasts 15 treatment rooms, the largest luxury Himalayan salt room in Manhattan, and the most services in one place for a safe and easy experience.
